

Technical Data Sheet

DeoDry

A80-060

Description:

Scented plaquette for the dryer

- Plaquette to insert directly in the dryer
- It leaves an intense and long-lasting scent on the fabric
- It does not create any stains and it does not damage the fabrics
- Ideal for all kinds of fabrics
- Effective for 15 drying cycles
- Usable with all dryers

Directions for Use:

Take DeoDry plaquette out of its protective packaging and put it in the dryer. Start the drying cycle. Use DeoDry for 15 drying cycles. Between a drying cycle and the next one store Deodry plaquette in a closed drawer where it will carry out a pleasant additional scenting action.

In case of drying cycles with high and stressful temperatures, wrap the plaquette in a cloth.
