

## Technical Data Sheet

### Equalizing and finishing spray for light suede

- › Restores the original colour
- › Makes suede soft and velvety

Method of use: Dry-clean the garment in cold solvent for 4-5 minutes. Leave the garment to dry at a temperature no higher than 35°C. Work the surface with a metal bristle brush. Shake well before use and spray evenly at a distance of 20-30 cm. Afterwards leave the garment to air.

Packaging: Boxes of 12 sprays of 600ml

Storage: at least 24 months if sealed in the original packaging
